Modern technology is a catch 22. On one hand, it's connected the entire world in an instant. It's helped doctors make life-saving discoveries and small business gather global teams. Still, there's a very real downside. Our reliance on cloud computing has left us open to cyber security attacks.

The Importance of Modern Technology | Bizfluent

Technology and the media are interwoven, and neither can be separated from contemporary society in most core and semi-peripheral nations. Media is a term that refers to all print, digital, and electronic means of communication. From the time the printing press was created (and even before), technology has influenced how and where information is shared.
