Another Insane

Devotion On The

Peter Trachtenberg's

book about his cats, his

girlfriend who becomes

his wife, and her cats,

the family they make

together, and how it

changes, is fascinating

and often fun. The

book deftly includes so

many aspects of his

devotion--to cats and

persons--both religious

and personal, that I

was amazed--a word I

try not to use lightly.

## Another Insane Devotion On The

### **the ...**

It all started with Agnes Varda, who was the first and only female French New Wave director, and who, at the age of 80, wrote and directed *The Beaches of Agnes*—a whimsical portrait of a life lived on the highwire of creativity. Nothing stopped this woman from making movies and taking on the joy of being human—not raising
