In Exploring Public Speaking, especially in its second through fourth editions, we have attempted to create a usable, zero-cost textbook for basic public speaking courses or courses that include basic public speaking skills as one of their primary learning outcomes. The free, open nature of the text means that instructors are able to use all or part of it, and add their own materials.

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.
