Chapter 21 is the first of several chapters that constitute the third scaffold scene and that lead to the climax of the novel. In these chapters, Hawthorne again brings together his main characters and, in these few pages, illustrates the major conflicts in the light of day and in a very public place.

Indigenous children throughout Australia remain very significantly over-represented 'in care' and in contact with welfare authorities. Their over-representation increases as the intervention becomes more coercive, with the greatest over-representation being in out-of-home care. Indigenous children appear to be particularly over-represented in long-term foster care arrangements.
