Yes - contractors can certainly qualify for the Foreign Earned Income Exclusion (FEIE). However, in general, the nature of contractor employment terms does not allow using the Bona Fide Residence Test. Therefore, civilian contractors working abroad are limited to the Physical Presence Test. Therefore you must closely track your time spent in the U.S. (whether for personal or business reasons) in order to secure the ability to exclude up to \$100K from taxable income.

Procurement Contractor Deployment Guide

Employment laws are fairly harmonised across the EU, however that does not mean that an a person hiring a contractor should ignore the employment laws of the country of the contractor. Companies using overseas contractors need to consider any country-specific employment regulation - especially with contractors based outside the EU and also be aware of any ongoing developments in employment law (eg the 2016 ruling that Uber drivers should be classed as 'workers' rather than 'self-employed ...
