CRATE GT65/212 OWNER'S MANUAL Pdf Download.

Crate's unique Channel Tracking feature means that as you switch between channels and gains, the DSP automatically "tracks" the changes - your DSP settings for each channel are recalled! The supplied three-button footswitch allows you to select channels, change the Overdrive Gain, and turn the DSP on and off by "remote control."

Crate Amplifiers FXT65 User Manual

Crate continually develops new products, as well as improves existing ones. For this reason, the specifications and information in this manual are subject to change without notice.
