Unusually in the case of a junkyard Gem, I know something about this Brava's history.Back in 2019, the owner of a beloved Fiat repair shop passed away and all 75 Fiats (plus some Alfa Romeos and Lancias) in the shop's storage yard went up for auction, cheap.I did my best to spread the word about these cars, and some got rescued. You can see our subject in this photo above, awaiting its new home.

The service life of a timing belt depends on a number of factors: the type of materials used in the manufacture of the timing belt, engine speed, miles driven, underhood temperatures and exposure to dust or other contaminants. On older OHC (overhead cam) engines, the most common recommended replacement interval for the timing belt is 60,000 miles.
