## **HO Scale Train Layout Plans - Model Train Books**

If you're new to model railroading, chances are you started out with a simple oval of track in a starter train set. The next step in creating a real layout is to add switching opportunities to expand your run. Next, you'll select or build towns, stations, businesses, and scenery to give your railroad purpose and character.

## **4 by 8 Foot Track Plans for Model Train Layouts**

Basically, track plans will usually be one of 2 types or a combination of the two: • Point to point (simple switching layout) • Continuous running (or loop to loop) Here are some examples of simple continuous running track plans, which can be combined, twisted, duplicated upon each other or stretched out in different ways to make unique track plans none of which look alike:
