Chapter 13: Risk Management Flashcards | Quizlet

Modern risk management started after 1955. Since the early 1970s, the concept of financial risk management evolved considerably. Notably, risk management has become less limited to market insurance coverage, which is now considered a competing protection tool that complements several other risk management activities.

Risk Management: History, Definition and Critique

Insurance - Insurance - Historical development of insurance: Insurance in some form is as old as historical society. So-called bottomry contracts were known to merchants of Babylon as early as 4000-3000 bce. Bottomry was also practiced by the Hindus in 600 bce and was well understood in ancient Greece as early as the 4th century bce. Under a bottomry contract, loans were granted to merchants ...
