MY - Wikipedia

My Grandmother Keller was a daughter of one of Lafayette's aides, Alexander Moore, and granddaughter of Alexander Spotswood, an early Colonial Governor of Virginia. She was also second cousin to Robert E. Lee. My father, Arthur H. Keller, was a captain in the Confederate Army, and my mother, Kate Adams, was his second wife and many years younger.

The Story of My Life. - University of Pennsylvania

The very nature of these inventions cries out for the goodness in men; cries out for universal brotherhood; for the unity of us all. Even now my voice is reaching millions throughout the world, millions of despairing men, women, and little children, victims of a system that makes men torture and imprison innocent people.

Charlie Chaplin Quotes (Author of My Autobiography)

His autobiography shows us how much he valued education through his anecdotes (stories) of his constant attempts to learn and improve himself. He also covers his many ideas on his inventions and his thoughts as he worked with others in helping the United States become free from England.

Autobiography: Definition and Examples | LiteraryTerms.net

Franklin himself noted that “of all my inventions, the glass armonica has given me the greatest personal satisfaction.” In this video, posted by the Toronto Star on 9 April 2013, composer William Zeitler demonstrates a modern version of the glass armonica, first invented by Benjamin Franklin in 1761.

Pakistan Quiz | General Knowledge Quiz Questions and Answers

Even the idea of "fake news" being a relatively new phenomenon is, well, fake news. Our country was founded on fake news, and our first president—well, first-ish, but we'll get to that later—had so much fake news written about him that he makes Trump look like an amateur. People are still claiming that Washington had wooden teeth. He actually had dentures made out of metal and ivory, and ...
