We all know that blizz has hinted in some interviews about possible new runewords and balance changes coming in the 2.4 patch. Here is the version I am hoping for: Hybrid Runewords make a reappearance as a ladder only version of the original runewords. While you are on the ladder, socketing Vex Vex Lo Jah into a 4 socket sheild creates "Spirit of Phoenix". This hybrid runeword will retain ...

There are a lot of top-tier ships that I don't have in my Port. I've only faced them as opponents, so my knowledge of how they play is limited. Reading the WOWs wiki pages and the reviews created by @LittleWhiteMouse are worthwhile uses of one's time, in my opinion. High-tier ships, as a general rule of thumb, tend to be more "deadly".

Notes on the harpoon change: we feel that harpoons have become too strong in the meta to the point where they dominate ship PvP. Whilst this change may not perfectly address all situations, we expect it will encourage more planning when harpooning along with additional risk and decision-making whilst also opening up options to the harpooned ship.
