The same goes for sliding closet doors. Bi-fold doors work well in closets, too. Closet doors keep your storage boxes and hanging clothes out of sight. It makes sense to consider a mirrored closet door so you can try on your clothes right where you store them. If you want a custom look, go for custom closet doors.

Interior and Closet Doors - The Home Depot

Doors are everywhere in your home, including your closets. Updating or replacing your closet doors has a large, very visual impact on the room's overall aesthetic. We offer a whole host of configurations and styles, from double-swing openings to bi-fold openings that reserve space in smaller rooms.

Closet Doors & Installation | Mirror, Sliding, & Bifold ...

Bi-Fold Closet Door. A bi-fold closet door is one of the most popular closet door ideas. These are space-saving doors that you can decorate or paint to come up with a personalized door for your closet. There are many ways to personalize the door. Our designers suggest installing wood molding in geometric shapes to create a modern contemporary look.
