The B2B Executive Playbook: The Ultimate Weapon for ...

ISBN-13: 978-1-57860-446-3 First and foremost, The B2B Executive Playbook really resonated well with me. With two decades in the software industry, most of that time in customer-facing roles, it validated much of my own experience and thoughts. Think of B2B as a complement to Jim Collins ' Good to Great.

What I've Read Lately: The B2B Executive Playbook

The B2B Executive Playbook shows how executive customer programs can help you: Drive consensus within your leadership team, and better align your company with the markets it serves. Better leverage the time and effort of your leadership team, as well as your corporate resources.
