Pig Beach located on Big Major Cay (also known as Major Cay) is a beach on an uninhabited island (or cay) located in Exuma, the Bahamas. The island takes its unofficial name from the fact that it is populated by a colony of feral pigs which live on the island. It has become a tourist attraction in modern times.

The Cay, written by Theodore Taylor, is a story set in 1942 during World War II. Phillip Enright, the 11 year-old main character, is excited when the Germans invade the small island of Curaçao. He is a naive character, and since war has always been a game to him, and he's eager to glimpse it firsthand (p. 11)–until the freighter he and his ...

Cay also learns that Ginger had to quit her job in order to stay home with the young grandchildren because Ginger feared leaving the two youngsters with a baby-sitter or in child care. Two of Ginger's friends were dealing with similar situations and a third friend was considering whether to obtain custody of her grandchild.
