The Essential Enneagram The Definitive

Enneagram is about discovering your disposition personality type. It is similar to the Myers-Briggs, and yet different. The difference is that the Myers-Briggs is more about development through life that led you to your four quadrants and what percentage you are in each and the Enneagram is something you are born with (the soul of who you are).

The Enneagram's acceptance (despite my early-on, now-overcome Type 6 concerns) clearly manifested itself in 1994 when we held the first International Enneagram Conference at Stanford University, sponsored by the Department of Psychiatry and Professor Michael Ray of the Stanford Graduate School of Business. More than 1200 attended.
