The God-Shaped Brain - Info Current

14The God-Shaped Brain Study Guide. Learning Through science and nature. The law of love is the principle of outward, other-centered giving, and it emanates from the character of God himself. All creation is designed with this principle as its basic code of operation, the secret on which life is founded.

THE GOD - SHAPED BRAIN STUDY GUIDE

In The God-Shaped Brain, I explore how our view of God change us, either increasing our capacity to love or hardening our hearts, depending on which view of God is believed. I examine divergent God constructs and demonstrate the profound impact a change in belief about God has upon mental, physical and relational health.
